98-2	Cindi Webster	Peer Tutor SFHS

*I will be adjusting a few of the south routes to make sure the buses are filled and not over crowded.
I am using my routing program to do this.

South Buses

Students on the SW side of St. Anthony will have stops at Targhee Trailer Court, One block East of of Lincoln School NE Corner, and Southside Park.

Students on the SE side by Trost's will be picked up at the corner of 1st. E. 10th S. and W. 8th St. E. and 7th St. E. (Parker Machine Shop corner).

Students in the NW area to W Main and W 10th St. will be walkers.

Students down on the island, Jackson TC area (Safety Bussing) will be picked up like last year.

Parker and Teton will still have Kindergarden only half days, students will ride the bus to school in the morning, with parents being responsible for pickup at 10:45 a.m.

HF and Ashton Elementary will have all day Kindergarden Monday through Thursday, with a half day on Fridays. We will run buses midday to take students home.

North Buses

Island Park route has no changes

West of Ashton, no changes

Warm River, Cave Falls RD to Forest Boundary, Marysville

Greentimber and Squirrel, some south of #47 Marysville, Idaho Street. (Safety Bussing),

Also pickup on 7th & Idaho and 6th & Idaho. Ruth Gillam Daycare also on 657 Highland.

Hwy. #32, (Pine St. Safety Bussing)
 Chester Students to Ashton, Baker RD, Special Needs at StronksTC.

Friday 8:00--1:40	
NFJH & NFHS 8:00--3:15	Drex Hathaway
Friday 8:00--1:55	

Safety Bussing Areas,

Teton City, Students living on the south side of highway #33
 St. Anthony area, students living on the southside of the freeway and the SE area having to cross the railroad tracks along with the freeway.
 Ashton area, elementary students having to cross highway #47 or the railroad tracks.

We have the bus routing program called "Transversa", I have been trying to get it up and running. It has a list of students on the routes, directions, and times of pickup and drop off. There is still a lot of work to do to get things in place and information to the drivers for reference. I should have it taken care of this fall.

Thank you for your support,
